

# KARC Summer Field Day.

The Kishwaukee Amateur Radio Club is participating in Field Day this year. Current members are invited to come to Hinkley for 24 hours of fun.

Starting June 25th 9am for setup. Planning on 2 HF stations, one 6m, one 2m/70cm

We are also having a club picnic on the 25th during field day. KARC members feel free to attend. Stop by and have a hotdog and say hi!

Address is 281 E Slater Ave, Hinckley Illinois, 60520. Just west of dairy joy on route 30. Head south on oak street up the hill. Look for White House with two flags off the front porch. We will be operating the radios at the pond next door.

Need to know if you plan on attending. Please reply to this email. If I missed your name below let me know!

Camping is welcome in tents. Limited room for campers. 10x20 4 sided party tent and tables will be setup.

Please bring a dish to pass and let us know ahead of time. Erin and I will supply hot dogs, buns, and water!

Tom K9GPC will bring laptops for logging.
